### Explanatory Notes

1. Tuition Fee-Supplements funding for ongoing school operating expenses, including wages and utilities. This rate is reviewed annually by the Diocese.
2. Capital Levy – An annual levy is charged per family to contribute to the capital costs of school infrastructure. It covers all forms of capital expenditure; i.e. Building improvements, Air-Conditioning repairs, IT infrastructure and all Grounds/Facility improvements not included in the government funding.
3. P&F Levy – An annual levy is collected per family on behalf of the Parents & Friends association. The levy assists the Parents & Friends association contribute to capital projects or maintenance works of the college.
4. Activity Levy – The activity levy is charged per student to contribute to the cost of activities; i.e. classroom excursions and other subject related expenses not covered by the Diocesan Tuition Fee. For Year 6 students this includes a 3-day camp.
5. Resource Levy – The college resource levy is set to cover general classroom overheads and running costs. Including items such as compulsory competitions, photocopying, consumables, student supplies for 2019 (including stationery supplies) curriculum related materials and administration cost. This levy changes slightly between Prep-3 and Years 4-6 to cover expenses relating to that year level throughout the year. The levy also incorporates the provision of such items as, but not limited to, Computer and Technology resources for all year levels, including the maintenance of technology equipment. In prior years this has been subsidised in the start-up costs but as the College continues to expand so does the computer and classroom technology resources, in order to support the learning experience of our children and to enable us to deliver the Australian curriculum more efficiently and effectively.
