

# Our Purpose

---

As a Catholic school, our **PURPOSE** is inspired by the *Gospel of Life*.

In the spirit of Jesus Christ, and faithful to the example of St Mary MacKillop, our **VISION** is a school community in which:

- children and their families are welcomed and loved
- students are inquisitive and happily learning
- learners are supported, guided and encouraged.

Our **MISSION** as a Catholic school is to:

- form confident and creative young people who value the ethic of love
- be a safe and welcoming community in which relationships are characterised by Gospel values
- offer the best quality pedagogy and curriculum for the creation and sharing of knowledge which is characterised by the good, the true and the beautiful.

As a community of hope investing in the future, we embrace Christianity as the way of humanity.

Desiring our students to experience they are loved and cherished, we **VALUE**:

- Catholic culture as foundational and formative
- Community which is family-like and inclusive
- Curriculum that innovates and energises
- Pedagogy which individuates and engages
- Staff who love their students and love their own learning
- Leadership that is visionary and at service
- Facilitates that are contemporary and enable.
