# Welcome to Prep 2022

**MacKillop**  
Catholic College

## Our **VISION** is a school community in which:

- Children and their families are welcomed and loved
- Students are inquisitive and happily learning
- Learners are supported, guided and encouraged

## Our **MISSION** as a Catholic school is to:

- Form confident and creative young people who value the ethic of love
- Be a safe and welcoming community in which relationships are characterised by Gospel values
- Offer the best quality pedagogy and curriculum for the creation and sharing of knowledge which is characterised by the good, the true and the beautiful.

## Your child can start and finish their education journey at MacKillop.

Our onsite Early Learning Centre caters for babies from six weeks of age through to Kindy. MacKillop is your "birth to graduation" education solution.

OSHC – Outside School Hours Care is also available

## Learning – the MacKillop Way

The MacKillop Way is a College-wide positive relationships framework based on the core values of Community, Learning, Service and Outreach and Spiritual Growth

## Agile Learning Spaces

All of our learning spaces have flexible furniture, which can be moved around easily, helping our students to become self-directed learners.

Teachers are able to differentiate lessons and accommodate the different learning styles and needs of their learners.
